

**CAMILLUS YOUTH BASKETBALL ASSOCIATION  
MISSION STATEMENT**

The mission of the CYBA is to provide children in the local area the opportunity to learn and play the game of basketball and to learn good sportsmanship. Our approach is as varied as the number of volunteers that help administer the program. Some may focus on defense, some on offense, but we should all maintain our focus on the qualities that will guide our children to successful adulthood.

Winning and success are wonderful rewards for hard work, however, let us not neglect the lessons learned from losing and the strength of character it takes to do either with dignity.

**CYBA PLAYERS/PARENTS CODE OF CONDUCT**

As a PLAYER/PARENT in the Camillus Youth Basketball Association, I support the CYBA Mission Statement and agree to adhere to the following standards for conduct.

- A.** CYBA will strictly enforce a **ZERO TOLERANCE POLICY** in regards to behavior at all CYBA activities.
- B.** The CYBA is an instructional league and as such the goal is teaching good sportsmanship and how to play the game, and not necessarily winning the game.
- C.** Each player in the 1<sup>st</sup> half of the game will play one full quarter and sit one full quarter, and the coach will attempt to give all equal playing time beyond that requirement unless the number of players dictates otherwise.
- D.** The use of profanity is prohibited by anyone.
- E.** Arguing with referees, spectators, and opposing coaches and players etc. is prohibited.
- F.** I will be on time for practices and arrive a few minutes early for games. If I am unable to attend I will make arrangements with the coach or his representative.
- G.** No physical contact with participants, coaches, referees and/or spectators.
- H.** Trash talking and taunting will not be allowed and we should encourage players to be respectful of all those participating in the program.
- I.** I realize that we are all role models and as such I will conduct myself with respect and common courtesy for others.
- J.** I agree to occupy only the space designated for CYBA activities in the facility and failure to do so could result in suspension or dismissal from CYBA and the facilities.
- K.** Failure to abide with any of the above rules will result in suspension or dismissal from CYBA.
